Let Portland Bible College partner with your church to train your ministry leaders and disciple your congregation.

Over my life in ministry the Basic Doctrine course at Portland Bible College has shaped, molded and transformed my thinking. I cannot imagine my life or ministry without it. I owe PBC so much. I truly believe that this college has some of the best biblical professors in the world, which is why we choose to implement large portions of their curriculum into our internship and leadership teams. Let PBC transform your life and ministry, the way it has mine. I highly recommended this course and others offered by PBC.

Portland Bible College
We’ve had the privilege of touching thousands of leaders, helping them grow in their knowledge and character as God prepares them for their purpose.

Our purpose has always been to equip students and release them back to their local churches to serve and build that church. With online tools, we can now train leaders without taking them away from the work they are doing RIGHT NOW. We have spent hours developing a system and curriculum with the adult learner and ministry leader in mind. Now, you can be anywhere, learn anywhere, grow anywhere. God bless you as you build His church worldwide.
