Portland Bible College is authorized under Federal Law to enroll non-immigrant alien students. In order to receive the I-20 Form (necessary to obtain an F-1 Student Visa), the student must demonstrate **proof of Financial Responsibility**. This proof can be a financial guarantee by an organization, church or individual. It must be accompanied by a bank statement dated 90 days of the application date and showing ability to pay for study at Portland Bible College for one year. The cost for a single person to attend PBC for a year is appropriately \$11,00 depending on the degree program. **Married students need to request the exact financial guarantee amount.**

All Students need to come with at least 50% of the 1st semester's fees (approximately \$2,500) for a down payment. At matriculation when the down payment is made, a monthly payment plan is set in place for the student. By the end of the semester, if the student has paid their monthly payments, the student is debt-free. All married students are required to bring their family. **If you are married, the cost of living will be much higher and you would need to have a sponsor or some other funds of your own. Upon request, we can send you a sample budget and the exact financial guarantee amount.**
