### PRACTICUM & MINISTRY APPRENTICESHIP

PBC believes that the mechanism to mobilize people to extend the purposes of God is through the local church. The local church provides the ideal context for hands-on learning opportunities intended to help strengthen, release, and grow spiritual gifts and abilities within each student regardless of where God uses them to impact their world. All of our programs require a Practicum and/or Ministry Apprenticeship.

**Practicum:** Practicum requires 30 hours per semester. (1 credit)

**Ministry Apprenticeship:** Ministry Apprenticeships require 60 hours per semester. BTh or ACL programs only. (2 credits)
